### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Deland on August 1, 2007.

The application has been amended as follows: In claim 2 line 3 after change delete "of the" and insert --indicated by the first or second--; in claim 12 line 2 after compares the, insert --first or second--; in claim 16 line 2 after compares the, insert --first or second--.

### ***Allowable Subject Matter***

2. Claims 1-22 are allowed.

3. The following is an examiner's statement of reasons for allowance: There is no teaching or suggestion in the prior art of the claimed combination having the control unit operating the other one of the front transmission or the rear transmission in priority to the one of the front transmission or the rear transmission based on a second travel condition; re claim 3, the control unit operating the other one of the front transmission or the rear transmission in priority to the one of the front transmission or the rear transmission when there is a high rate of change of the travel condition; re claim 6, the control unit normally sequentially shifts the rear transmission through its plurality of gear steps in response to a first travel condition, and the control unit shifts the front
